Treasurer's Report – Amy Wilber/Taryn Cox

- The current Booster Balance is \$22,238.35, with a Spur Balance of \$6,249.60

Reflections from Previous Meeting

- Surplus Vs Flexible funds within the Booster account
 - We do not have a surplus - there are a lot of funds that come in and out which make us flexible
 - We do not know how much will come in - but we have an idea of what will come out
 - Looking at the Treasurer's Report we can see what has been allocated for the remainder of the year. What is unallocated from our current balance is \$2,459.95. With the potential revenue of \$14k from the Hosted Contest and Spring Show
- We must also keep in mind that we cannot zero out our balance for the year, we must save some for the upcoming 2025-2026 season as well
- The trailer is functional but needs to remain functional for a long time
 - Now is not the time to allocate funds, but we will need to in the near future.
 - If funds are not allocated, it will begin to rust and become nonfunctional
 - The trailer will need to be fixed to ensure it is here for future teams to continue to use

- Cross-body bags were passed out after Showoff's last week
 - We did get a discount on the bags
 - The girls seemed really excited about them
 - The bags will be used during contest season as well as during hosted contest
